

**Where does learning take place and who is responsible?
A Student-Faculty-Staff Conversation**

Where: Student Services Bldg Room 375

When: Tuesday, September 16, 2008

12:30 to 1:45

Who: ISU students, instructors, and staff

“How can I be a more autonomous learner?”

“How can I help my students be more independent learners?”

Let’s work together to come up with ideas and practical suggestions to promote our shared goals of learner autonomy and student success.

Light Lunch Provided

**Sponsored by Cross Chair in the Scholarship of Teaching and Learning and
The Office of the Provost, Carnegie Academy for the Scholarship of Teaching and Learning
Student Voices Program**
